## **HKSH Family Medicine & Primary Care Centre (Admiralty) Commences Service Today Primary Care Network Expanded to Strengthen the First Line of Health Defence**

(Hong Kong, 4 June 2026) – HKSH Medical Group has added a new service point for its Family Medicine & Primary Care Centre. In addition to the existing centres in Happy Valley, Island East, Central, North Point, and Taikoo, the sixth Family Medicine & Primary Care Centre located at One Pacific Place in Admiralty, officially opened today, forming an even more comprehensive and extensive medical network to meet growing healthcare demands. As the first line of health defence, the Centre's family medicine specialists and general practitioners are committed to safeguarding the physical and mental health of patients and their families through disease prevention, early intervention, and health management.

The HKSH Family Medicine & Primary Care Centre (Admiralty) offers a wide range of services, including family medicine outpatient services, general outpatient consultations, health check-ups, vaccinations, and blood collection services. **Dr. Joseph CHAN, Chief Medical Officer of HKSH Medical Group and Deputy Superintendent of Hong Kong Sanatorium & Hospital**, remarked, "The Family Medicine & Primary Care Centre (Admiralty) is uniquely positioned. In addition to serving as the first point of contact for disease diagnosis and treatment, it is strategically located within the HKSH Healthcare Medical Centre. Through a timely and efficient referral system, it provides ongoing, one-stop and multidisciplinary support, including ophthalmology, cardiology, gastroenterology and hepatology, endocrinology, diabetes and metabolism, rheumatology, plastic surgery, dentistry, dermatology, geriatric, pain management, and dietetic services for patients with different medical conditions, safeguarding their health in every aspect."
